ATTENTION PATIENTS IN NON-PARTICIPATING PLANS

Your health benefit plan may or may not provide coverage for all the health care services you are scheduled to receive or the providers providing those services. You may be responsible for the costs of the services that are not covered by your health benefit plan.

Brookville, as a nonparticipating provider must provide a good-faith estimate of the cost of the health care services to be provided. A good-faith estimate does not take into account unforeseen circumstances, which may affect the cost of the health care services provided.

You also have a right to request that the health care services be performed by a provider that participates with your health benefit plan and may contact your carrier to arrange for those services to be provided at a lower cost and to receive information on in-network providers who can perform the health care services that you need.

If you are a patient in a non-participating plan, you will be required to sign a document stating that you have read and understand the above information.

Please contact our Billing Department at 616-514-3801 with any questions.
